From

Sri S.K.Mishra,
Secretary (I/C).

To

The Principals,
All Engg. Schools/Polytechnics (both Govt. & Private).

Sub: **Verification of eligibility qualification(10th/+2/ITI) certificates-regarding.**

Sir,

It has come to the notice that some of the students are being admitted in Diploma Course without proper verification of Eligibility qualification certificate. This may create a chance for some of the students to get admission with fake Certificates. As such, the correctness of the above certificates is required to be verified from the Competent Authority/Issuing Board by concerned Polytechnic Principal.

In the above scenario, SCTE&VT, Odisha, Bhubaneswar has decided to issue Final Diploma Certificate after receipt of verification report from the Competent Authority/Issuing Board through the Polytechnic.

Hence, you are requested to take initiative to get the certificates verified from the Competent Authority/Issuing Board as follows in order to avoid delay in issuance of Final Diploma Certificate by SCTE&VT, Odisha, Bhubaneswar.

1. In case of the students admitted during the session 2016-17 & 2017-18, the verification report shall be submitted within three months from the date of issue of this letter.

2. In case of fresh admission during 2018-19 and onwards, the verification report must be submitted before closure of attendance of 1st/3rd semester as the case may be.

Yours faithfully,

Secretary I/C
