Principals of all Polytechnics,
Odisha.

Sub: Participation by all Polytechnics of the State in Ranking Process and extension of date up to 30.12.2023 for uploading of data in the QCI Portal.

Ref: Letter No.2319 dtd. 18.11.2023, Notice No.2456 dtd.11.12.2023 & Notice No.2493 dtd.15.12.2023.

Sir/ Madam,

In continuation to the letter / Notices under reference above, it is observed that less than 100 Polytechnics affiliated to SCTE&VT have so far participated in the current ranking process of 2023-24 in the designated Portal. The objective of ranking process is to improve the quality of education in the State. Ranking indicates the academic standard of the Institute which will guide the students and parents about the Institute of study. It is also observed that ranking system over the last two years have helped the Institutes to prepare for NBA Accreditation.

As per clause 4.1 (viii) of affiliation Bye Laws of SCTE&VT, participating in ranking is a condition for grant of affiliation. Any Institution not figuring in the ranking process may indirectly indicate that there are deficiencies in the said Institute. It is therefore desirable that all Polytechnics in the State must participate in the ranking process which has matured over the last two years.

Thus, it is decided that inspection shall be caused by SCTE&VT for non-participating Institutes in the ranking process to check the infrastructure, faculties and other academic, records as per affiliation rules separately.

Hence, all the Principals are requested to ensure uploading of required data in the QCI portal so as to complete the task by extended date i.e 30.12.2023.

For any assistance in the QCI Portal, Mr.Nitin Yadav (9456446655) or Mr.Ankur Mallick (9873387130) may be contacted.

Yours faithfully,

Vice-Chairman.
